6. Evaluation Procedure for Initial Qualification

(a) An evaluation committee will be appointed to evaluate proposals submitted in response to this RFQ in accordance with the CCNA and to make a recommendation to TBARTA's Board of Directors. The proposals will be evaluated in accordance with the evaluation criteria outlined above and the CCNA. Qualified Offerors will be those determined by TBARTA's Board of Directors, in its sole and absolute discretion, to have achieved 75 percent of the total maximum points for technical acceptability. However, TBARTA reserves the right to reject any or all proposals if it is determined to be in the best interest of TBARTA.
